

Medical Conditions Your AME Can Issue (CACIs)

Featured speaker Dr. Sean Malone, MD is an FAA Senior Aeromedical Examiner (AME) and will reveal the recently approved list of medical conditions that no longer require a Special Issuance Medical. Airmen with these conditions can be approved directly by the AME. This will be an informal lecture / discussion on the medical conditions no longer requiring a Special Issuance as well as an open forum to discuss other Aeromedical Issues and Medical application concerns. Don't miss this informative briefing. Click on the link below and register TODAY!

Directions: The meeting will be held in the meeting room near the rear of the restaurant.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
